Break Away Moments Presents

THE ULTIMATE TOUR of JAMAICA EXPERIENCE!

Itinerary:

DAY 1: FRIDAY, APRIL 15

Check into Wexford Court Hotel.

DAY 2: SATURDAY, APRIL 16

From Montego Bay visit Outameni Experience where you will benefit from a unique blend of “edutainment” This is a moving cultural experience that celebrates Jamaica’s rich culture depicted in small architecturally designed villages showing Taino, Spanish, English, African, East Indian, Chinese and Jamaican culture. After a scenic drive and a stop in the interior of St. Ann, trek downhill to Ocho Rios and climb the 600 foot gently terraced waterfalls of Dunn’s River. Relax for the night at Bayview Villas where you will experience the lush green tropical surroundings while enjoying true Jamaican hospitality at this country-styled facility.

DAY 3: SUNDAY, APRIL 17

Depart Bayview Villas and take in the awesome view of the Blue Mountain range as you journey to St. Thomas, not before having the real taste of jerk at Boston, home of Jerk. Relax and enjoy the journey across the hilly terrain of the parish to Kingston and visit Devon House home of the famous and favorite “Devon House I Scream”. Enjoy an easy ride up Hope Road and visit the University of the West Indies, now home to Racers Club. You will observe the relics of the plantation era with ruins of the aqueducts, then drive through the University of Technology, also home of the MVP camp. Take an easy evening ride around the suburbs of St. Andrew and then “escape” to Port Royal and “chill out” before returning to Kingston for a relaxing night at Four Seasons Hotel in Kingston.

DAY 4: MONDAY, APRIL 18

Visit the former base of Henry Morgan’s “buccaneers” and see Fort Charles and other buildings that remind us of that era of piracy in Jamaica. Enjoy a comfortable ride along Kingston Harbour to the Bank of Jamaica and view the Money Museum. A tour through downtown Kingston would take you through Parade, the centerpiece of Kingston and up to the National Heroes Park where you see monuments and final resting places of our National Heroes and other outstanding Jamaicans. Experience a very scenic and comfortable ride along the Mandela Highway and Highway 2000 to Clarendon. Treat your “tastebuds” to “real” Jamaican Patties and continue on a very scenic ride through central Jamaica to one of Jamaica’s most popular seafood restaurants, Little Ochie. Enjoy a sumptuous seafood meal and retire for the night at Sunset Resort & Villas in Treasure Beach.

DAY 5: TUESDAY, APRIL 19

See where two lovers chose death rather than be separated at Lovers Leap. Enjoy a seven mile journey by boat in the lower morass of the Black River. You will be amazed to see the crocodiles bask in the sun; enjoy the sights of water birds, mangroves and water lilies during the journey. Take a relaxing and scenic ride to YS Falls, which boasts a magnificent seven tiered cascading waterfall, canopy rides, river tube rides and expansive wading pool fed by an underground spring. After this exhilarating experience on the falls, journey into the cockpit country to the home of the Maroons, Accompong Town. At this very historic community, you will get that long-awaited opportunity to see the Maroons, who will be proud to share their history with you and take you on a tour which will highlight the Kinda Tree and Seal Grounds. Then return to Montego Bay by travelling through the interior of the parishes of St. Elizabeth and St. James and then retire for the night at Wexford Court.

DAY 6: WEDNESDAY, APRIL 20

Check out of Wexford Court Hotel.
